*** Per person for 2 travellers**

Overview

Tour Code: VALL01

Book: 7 days before the trek

Duration: 2 Days / 1 Nigth

Operated In: Español/English

Difficulty: Moderate

Minimum: 2 passengers

Recommended: April - Setember

Experience: Mountaineering,

Description

It is one of the mountains located in the Cordillera Blanca, within the Huascarán National Park, Ancash. Its top can be easily seen from the city of Huaraz. The peak has an altitude of 5,685 meters and is technically considered a 5,000 medium climb, and the advantage is that it can be done in just 2 days.

However, any ascent to a peak implies certain risks and therefore requires: adequate prior acclimatization, the necessary technical equipment, qualified mountain guides and experience hiking in rugged areas.

IMPORTANT:

- We recommend minimum of 3 days of acclimatization before the ascent
- Group tour with 6 to 9 participans.
